## MESSAGE FROM THE PRINCIPAL

Dear Parents

### ARRIVAL IN SCHOOL

There has been an increase in the number of children arriving at school after 8.30 am who are being left in the school yard on their own until the start of school. There are even been instances of children being left at the school gate to fend for themselves.

If you do not want your child to join the breakfast club or arrive too late, then as a safety precaution, parents/guardians must stay with the children until they are allowed into school when the bell goes at 8.55 am. You cannot leave them alone in the school yard.

### MEDICAL AND OTHER APPOINTMENTS

I would like to remind parents that all non emergency medical and dental appointments should, whenever possible, be made outside school hours. However, I understand that this is not always possible. In these circumstances, please provide the school office with evidence of the appointment in advance so that the details can be noted on the register and staff aware that someone will be along to collect the child. Such evidence includes appointment cards, phone messages, you can even send a screen shot via the new parent app.

We have noticed an increase in the number of parents asking to take their children home early because the parents themselves have an appointment. In future these requests will be refused unless there are extenuating circumstances and this must be agreed beforehand—not on the day in question.

I look forward to your co-operation in these matters.

Mrs H Hafeji

Principal

## **GO GREEN ECO DAY**

---

**Friday, 28th February 2020**

**We will be holding a 'Go Green Eco Day' next Friday. The children will be involved in lots of gardening and eco activities. There will be a seed planting competition, fresh fruit and juice on sale as well as bulbs and seeds to buy to plant at home.**

**Your child can for a £1.00 donation come into school in non-uniform—wear something green. The funds raised will be used to buy gardening equipment and seeds to plant around the school.**

## Curious Critters—Year 1

This week we had some very special visitors for the children in Year 1! The children were joined by Daniel who brought lots of curious looking critters with him. You can see from the photographs below that we have some brave children in Year 1.

They were happy to hold among other things, millipedes, cockroaches and snakes. They were a lot braver than the staff!

Daniel also brought in a beautiful owl and a tiny skinny pig.

Miss Greenall and Mr Seddon accepted the Bushtucker food challenge—they were so hungry they were brave enough to eat some mealy bugs for lunch!

Well done to all the children for being so fearless!
