The wheels on the bus go round and round...

Thank you to R S Tyrer Coaches of Farnworth who kindly donated a bus and the services of a driver to take our Nursery children on a short bus journey around the local area. The children had to show their ticket to the driver as they alighted the bus—just as they would on a everyday journey.

... and round and round, round and round

With so many families these days having a car to get to and from school to visit friends or who travel on holiday on an aeroplane, so many of our younger children have never experienced a journey on a local bus!
